

Allen Sidor

October 6, 1956 - October 27, 2019

Allen Joseph Sidor, age 63, passed away peacefully after a long battle with cancer on Sunday, October 27th, 2019 at his home in Laguna Niguel, CA surrounded by his family.

Al was born on October 6th, 1956 to Joseph and Olga (Chabora) Sidor in Hackensack, New Jersey and grew up with his brother Ron. On May 6th, 1979 he married Faith Mitchell and in 1984 they had their son Ryan and raised him together.

Al had a passion for flying and pursued it by earning his pilot's license at 16. He took a job working as a flight instructor, then as a flight planner and eventually fulfilled his dreams by becoming a corporate pilot. He also loved ships and cruises and would frequently take friends and family to see the world as well as attending ones for the National Review as he took a personal interest in politics. Al also loved the entertainment of gambling and shows in Las Vegas where his son lived, and was known to call The Bellagio his "Home away from home".

Despite his penchant for fun and jokes, always with an easy smile, he had an exceptional work ethic and entrepreneurial spirit and it showed from an early age. From helping at his dad's drive-in theater at the age of 10, to earning his Aeronautical Science degree in two and a half years so he could, as he told Faith, "Hurry up and seek his fortune"; At 23, he started up a vending machine business that fell prey to the mob vandalizing and driving away customers from his machines.

Never one to quit in the face of adversity, Al pressed on. Him and Faith drove ice cream trucks every day to save up the money to move to California which would lead to him starting CDS Moving Equipment, building dollies in his living room with his wife at 25 and finding great success. The business grew and thrives to this day and as a testament to his leadership, retains scores of employees that have been there for over twenty years.

Al is remembered as a loving father who's life revolved around his son; And as a man with integrity, kindness and generosity.

A funeral service will be held on Sunday, November 10th 2019 at McCormick & Son Mortuaries, 25000 Moulton Pkwy, Laguna Hills, CA. 949-768-0933.

“ Al was one of the kindest, most generous men I've ever met. Both professionally and personally, he was known for his fairness and good will. Al believed in his people and never gave up on them. His encouraging spirit is best displayed by the loyalty and long term employees that have made CDS their last career stop. Al hired me as a young Mom in 1989 like many, I still work for the company to this day. His support through many life changes will always be remembered and appreciated. Truly a visionary, Al was adored and will be greatly missed.

“ I owe my professional career to Al. He always treated me like part of the CDS family from day one. I will never forget my times with him in Vegas and his favorite seat at the Bellagio. He was one of a kind and will be sorely missed. Rest In Peace Godfather. Andy Smith

“ Growing up as one of Al's childhood friends I'll always remember working with him in the snack bar of the Hackensack drive-in theatre where his dad hired most of the neighborhood kids. A few years later Al was 16 and had his pilots license but wasn't old enough to drive in N.J. So I drove us to Teterboro airport where we rented a

plane and flew down to Long Beach Island to see my parents. Unbelievable memories that still bring a smile to my face. Rest in peace Al.

“ I never met Al but I felt as though I knew him or at least the kind of man he was. What I learned about him, was he was an amazing, kind, generous and funny man. It seems as though he touched so many lives and his passing much too soon will be a great loss. Sending my love and deepest sympathy to all his friends and family.
