“ عمو بیژن انسانی بزرگ بود ،با هوش بود .پر از عشق به انسان ها ،مهربان ،از خود گذشته .به مانند ستاره ی پر نور که راهنمایت باشد . او همیشه زنده و جاوید خواهد ماند . او مانند حضرت زرتشت و حضرت مسیح روحش به پرواز درآمده برای همیشه از زمین آزاد گشته است

My uncle, Bijan, was a great human being, smart and full of love and kindness. He was big hearted. He was a shining guiding star. He will always be alive and eternal. His soul flew away and got free from the earth forever just like Jesus and Zoroaster.

“ Uncle Bijan was an angel from Heaven living on earth for some years. He flew back to the land he really belonged to. He was the pillar of the family and had a heart of sympathy. We remember him forever.
