Ernest Cruz Luna, born July 22nd, 1973, son to Cruz and Martha Luna, passed away unexpectedly in his sleep during the early morning of June 16th, 2021.

He was known as "Ernie" to most. Father to Vida and loving husband to Ruby. (passed)

Ernie was the middle child and sibling to his sister Sandra and brother Adrian. From the time he was 6 years old, Ernie and his family lived in Lake Forest, California. It was there he would grow up to love the California Coast. Going to the beach was his favorite past time as a kid. He would spend countless summer days at the beach and it was there he created many loving and happy memories with his family.

He eventually met the love of his life Ruby Gutierrez and married her soon after welcoming the birth of their beautiful daughter Vida Alexandria Luna; born on October 24, 2013. Vida became their greatest pride and joy.

Ernest was a devoted father and husband and he will forever be missed and remembered.

“ I met Ernie while walking my dog on the road next to Earnie’s house. He was standing next to his dodge car. I asked him if it was all wheel drive to which he replied, no and started to state what most real estate agents say about the snow-how bad could it be? The next week we got about a foot of snow and Ernie had to park his car in front of my house, later on the street, and then at the nearby church camp while he hoofed in to his house through the snow. Ernie adjusted well to mountain life after he purchased a chainsaw and a snowblower. He took pride in helping his neighbors and often would ‘plow’ the entire street with that blower. Clearly, he became the ‘mountain man’ that he soon described himself as. When he finished his mountain man tasks, I would often see him playing with his beautiful young daughter, Vida, in the snow. On holidays I would see Earnie and Vida leaving gifts and candy on my deck. On occasion, I had the pleasure of chatting with Vida who was always full of life and sometimes, I am certain that she would find manic marbles that just appeasers in the dirt by their house. In celebrating Earnie’s life, there is another’s that should be celebrated and that is of his daughters, Vida. A preacher once told me that a mans legacy is not of wealth, or homes, or material things but that of his children. In this regard, Earnie leaves behind an incredible legacy to which he did not fall short.
