“ Giovanni was a delightful person. I enjoyed being one of his teachers at Burcham. My heart breaks for his family and friends. I will remember his bright smile.

“ I remember the times we spent the first year in College. We met in class along with essence. You were a great friend and I will always cherish our friendship. Life got in the way and we went separate ways but I am grateful to have met you.

“ Gio your personality was amazing. You were always happy, sweet and kind. I will miss you We made fun memories when you were little and we had many more to make. It wasn't your time to leave us because we were looking forward to see you soon and to be with you in all your life events.
Its not fair and it breaks my heart to loose you and see your family go through this.
RIP my Gio hermoso. You will always be in my heart. Tu Nina
