“ Hi.. My name is Rene Parker. Me and my son took this news very devastating! Cory Parker is Scott's son. Sincere condolences to all his family. We are very saddened for you guys. R.I.P. SCOTT!! Becuz of you thru having my son when I lost my mom in a car accident and lost my whole world ..having my son was a miracle!! And saved my life! I thank you Scott! May not be too appropriate of a story (lol) but I feel I can share the memory. SCOTT walked into my Denny's in Brea Calif. Where I met him. Than he came back with a dozen roses and snakeskin boots and long blonde curly locks. We went out to a Judas Priest concert for a date. Was a great memory in my timeline. He said you gotta hear me play the drums!! He was very talented! Next thing I knew my son was born. The best thing that could of happened to me! Me and Scott were only together for a brief time. But he made an amazing son!!
